Accommodation:

There is accommodation available in Ptuj with a price range between 17€ (Hostel) and up to 70€ (Hotel). The symposium will centre around the Hotel Mitra and many participants will live there. But everything is close in this beautiful medieval town, you will find a place to stay within 10-20 minutes walk from the different events.

Ptuj is also a well-organized spa area with many facilities available ranging from camping, bungalows and apartments to Wellness Hotel Primus in Terme Ptuj.

To order accomodation please look at:

www.visitptuj.eu/parzival In most places we asked for storytelling symposium price, please check at your choice. More info about region at www.ptuj.info

Symposium language:

A working knowledge of english is necessary. It will not be possible to translate everything. We will be telling the story of Parzival in three languages – slovene, english and german during the week. Workshopholders will work in different languages, check the programme! In workshops you need to understand the language, but when working with exercises in pairs or small groups, you can find someone who understands you and tell in your mother tongue. We will help each other with some translation as we go along. Morning gatherings will be held in slovenian and english. We reserve the right to changes in the programme in case of need.

If you have any further questions don't hesitate to contact us and we will do our best to help you.

Welcome! We look forward to seeing you in Ptuj this summer!
